

Short Bio - Ioannis Economou

Ioannis T. Economou is a founding member and partner at the law firm Loizides & Economou LLC since 2021. He earned his LL.B (Hons) at the University of Southampton and promptly completed his vocational training, joining the corporate litigation team at one of Cyprus' oldest and most respected firms.

Ioannis possesses extensive experience in complex cross-border corporate and commercial disputes, having successfully led numerous major corporate litigation and arbitration projects. He regularly appears before courts of all levels and jurisdictions, representing a diverse and prestigious client base that include some of the world's largest financial institutions, high-tech conglomerates, renowned private equity funds, international funds, investment firms, and major biotechnology, natural resource, digital technology, and security companies, as well as high-net-worth individuals and entrepreneurs.
